DANCING ABOUT ARCHITECTURE

by Marc "Moose" Moder

HOW TO ROCK

This past week, like most weeks before—and the hundreds of other weeks before that (maybe a thousand, but who's counting?)—I attended a live music performance. I've been to hundreds of live shows ever since my first one (John Denver in 1978) and most of them have been pretty stellar. I can, without a doubt, say most have been memorable experiences. And the ones I don't remember, not so memorable, obviously.

Tonight, I saw the incredibly talented (and gorgeous) Stephen Leonard at Rockit, and Monday it was Tony Award winner Levi Kreis with personal fave Eric Himan. Both shows were moving, fun, enlightening, and worth the tiny amount of money it took to go. But it sure seems that while all three artists were gay and gorgeous, my fellow audience members were decidedly hetero. Are the gays too busy watching Modern Family or saving their pennies for the final, final Cher tour?

Levi Kreis

Stephen Leonard

Well, you're big fools if you don't get out and see some prime gay Chicago talent perform live. The beer is cheap and the boys are HOT. Whether you like the Bucktown hipster otters or just dumb/cute/straight, all is good. And if you need some help or advice, Mama Moose is here for you.

1) If you're going to see an act, read some reviews first. There's tons of great Chicago talent out there, but some bad. Google them or even trust our old senile friend, Myspace. And if all else fails, are they cute?

2) Shut the fuck up. You came to see a band. We all did. So let the guy/girl on stage do the chatting. And if you're bored, go to the other room in the bar or go home. No one is loving you for ruining their experience.

3) Finally, know your place. If you're tall, stay to the back or sit down. I'm a tall boy. Have been since first grade. I've never wormed up to the front "because I just love Robyn and I totally want her to see me." No. Stick toward the back. The twinks and small bears will love you more for it and you're closer to the bar.

So now you've got a start. If you're not finding the right sensitive or scary boy at minibar this week, check out Schubas. He might be there rocking the flannel... and waiting for you.

QSC On the MOve for MOvember.

It's a MONDO World

Mondo Guerra was picked as the frontrunner to win season eight of Lifetime's Project Runway. Nightspots Magazine spoke with him the day after the finale to show him that even in second place he is still a winner in our book!

Nightspots Magazine: Hey, Mondo. So this is a big day for you!
Mondo Guerra: It is a new day for sure.

NM: This season was such a return to greatness for the show.
MG: Yes, I think that this season has been very hard. It had the most talent and most diverse group of people for the competition.

NM: The episode where you came out about being HIV-positive was the only time I have cried during all the seasons of Project Runway.
MG: I want to say that episode in particular was when I spoke out about something I had been hiding and scared to talk about for years. Beyond that I don't think it has to be an issue about HIV or AIDS. It can be about anything you are struggling with or afraid to talk about. I hope it will encourage people to open up communication and live their lives to the fullest.

NM: How was your family's reaction? Did you tell them ahead of time?
MG: I told them a couple of days before the show aired. They handled it very well. They are super proud of me for sharing such a personal side of myself and inspiring people on such a large scale.

NM: The finale was a shocker. What is your reaction to it?
MG: It has been crazy through the whole season, especially the last couple of weeks going into it. I was one of the favorites to win the whole thing and it put a lot of pressure on me. Not only that, but we taped a month and a half ago so keeping the secret and being under contract was so scary.

NM: You were still very humble at the end when you said you were happy to make it past the first challenge. You were not catty on the show.
MG: I didn't go there to be a bitch [both laugh]! I went there to work and to grow. I did that.

NM: I watched it happen every week.
MG: Even in my designs I grew. When you see them up to the end I think I really refined what I want to show and present myself as. It was an amazing experience. I never thought I would be put through so much crap, I guess you could say for lack of a better word. It was the hardest thing I have ever done.

NM: So what are you working on now?
MG: I have opportunities that are opening up for me and I know I am going to continue to be a creative person. Immediately I am going to start talking on the subject of HIV/AIDS education and what needs to be done. I want to give people hope and strength. I will encourage them to talk about it more so that we can tackle this epidemic.

FROM THE BOOTH

by Randy Pubert & Dick Groeper

New York's Hottest Top Model

Real Urban Men Productions

JUDGING A PORN BY ITS COVER

Pubert: Take this, Tyra, and suck on it; here's a top porn model.

Groeper: You interviewed the lesbian on the current season correct?

P: Yes, Kayla. She is doing really well in the competition.

G: This cover is a little bland and gray.

P: I picked this one for the title, not the cover.

Smokey is folding towels in a small apartment. Ace knocks at the door and states that he's here for the top model audition.

G: Well, at least this is realistic; that apartment is definitely in New York.
P: Yes, it's tiny. Look at the little refrigerator. It looks like it would hold about one Coke can.
G: Ace immediately walks in and heads for the shower.
P: His name is Ace Rockwood? Is this The Flintstones?
G: "Rock Me Amadeus!" He's hung.
P: Smokey just told him he missed a spot and is toweling him off.
G: I never dry off enough after a shower.
P: There is always a hard-to-reach place, right?
G: He just asked as he dropped the towel, "Why don't you put your mouth on it and make it grow up?"
P: Are you kidding?
G: Is this part of the audition process?
P: He's holding his mouth open.
G: Wow, how does he not choke?
P: Rockwell is real bossy.
G: Rockwood! Do you always feel like "someone is watching you?"
P: Yes, and "I have no privacy."
G: He's rocking that bed.
P: He just came on Smokey's pierced tongue!

One model has an audition but refuses to get out of bed until another sucks him off.

G: Talk about blackmail...
P: ...and black male.
G: His name is Nubius.
P: As in nubius cloud?
G: That's a nimbus cloud.
P: This guy was in Chi Chi's Black Balled 7.
G: He's performing some weird move on him.
P: It's the backwards-rub-the-hole-with-a-dick-trick.
G: That takes some skills.
P: What is up with the Adonis' hair underneath his black head wrap?
G: It looks like he dyed his hair red and blonde, maybe for a sports team?
P: That's why he's keeping it on during sex.
G: He's literally fucking him sideways.

One model name Charger is posing for a photo shoot in various states of disrobe.

P: Remember to "smize!"
G: Where's Nigel Barker? This kid needs direction.
P: Or Jay Manuel? I bet he would enjoy lubing up this model.
G: This is a solo scene. It gives new meaning to "go-see."
P: How is he gonna win Top Model? Topping himself?
G: He's going to lose that diamond ring fingering his hole like that!
P: This one is cute, I'll give him that.

Paris, the next top model, telephones for a masseur before a photo shoot.

P: Paris just said, "I hope you know what you are doing," as he straddles him.
G: And Aquarius replied, "I will try."
P: What kind of professional says he will try?
G: That is not a massage, more like a pat down.
P: Well, he is massaging his penis with his tongue.
G: Look at the sexual position. His legs are off to one side and crossed.
P: That is a new one. He's climbing Paris' Eiffel Tower.
G: He just gave him a high five after sex.
P: If someone did that to me, I would kick him out of my bedroom!

G: This movie was very low-budget, but that's part of its charm.
P: The music and bad graphic effects makes it feel dated and it was made in 2010.

Pubert: Finger down the throat.
Groeper: Thumbs up the butt.
