Saturn makes a move into practical Virgo this

September, providing practicality and a sense of accomplishment. There is nothing beyond the realm of possibilities. Dream big. No, bigger!!

ARIES (MARCH 21 - APRIL 20)

Working hard bring its rewards but the urge is to lie back and enjoy it. Saturn has other plans for you. The job beckons and you cannot ignore it or refuse it. But what seems onerous now pays off big dividends later. Rest on your laurels in the late fall.

TAURUS (APRIL 21 - MAY 21)

Genius is 1% inspiration and 99% perspiration. Take that as a cue to sweat out a fabulous creation. Thankfully, queer Bulls are practical to a fault, so everything you do now is valuable grist for the future party season. It is never too early.

GEMINI (MAY 22 - JUNE 21)

Pink Twins need to rein in the vast array of home related projects and begin to tackle them one by one. Before you know it, you will have the home that you have always dreamed of, but never felt you deserved. Well that may still be true...

CANCER (JUNE 22 - JULY 23)

Practice your public speaking, do your research and prepare to dazzle the immediate crowd this September. Overcome your shyness. Gay Crabs must not retreat into their shells. There is too much at stake to remain quiet and plotting.

LEO (JULY 24 - AUG. 23)

Proud Lions often don't know the meaning of delayed gratification. This September you come to terms with your reckless spending and may even make some giant steps towards solvency. Okay, we'll happily accept a few baby steps now.

VIRGO (AUG. 24 - SEPT. 23)

Queer Virgins not only manage to make a serious and impactful first impression, they can also carefully analyze and launch long term projects. Yes, things may appear closer than they really are in the mirror but perseverance increases your speed.

LIBRA (SEPT. 24 - OCT. 23)

Give your sixth sense free rein. Not only can you make better decisions, you also disarm rivals and overcome roadblocks to your success. Proud Libras have a trick or two up their sleeves this September. Hmm, is that really where they are??

SCORPIO (OCT. 24 - NOV. 22)

Surround yourself with good gay company. Be open to suggestion on all levels and take a few snippets of advice. Queer Scorps think that they know all the answers but Saturn begins to ask you a few new questions. Uhhh.

SAGITTARIUS (NOV. 23 - DEC. 22)

Gay Archers face themselves in the mirror and see what they need to do to break their professional log jam. Maybe a change of focus is in order or maybe a complete change of job. The answers come to you in the next months. Play the lottery.....???

CAPRICORN (DEC. 23 - JAN. 20)

Travel appears to be more trouble than it is worth but it is simply not true. Pink Caps who venture Out and explore the world benefit more than they expect. New ideas and new people contribute to a better rounded you. Or is it all that great exotic food?

AQUARIUS (JAN. 21 - FEB. 19)

Aqueerians become more practical than usual in their love life. Your big dreams don't come cheap and neither should you. Saturn sez, focus your gaze on the big prize and do your best to attract the cream of the crop before you curdle.

PISCES (FEB. 20 - MARCH 20)

Guppies are usually incurable romantics but September brings you down to Earth in any relationship that needs to be stabilized. If you are searching for a catch, check out some new ponds. A certain toad could turn out to be royal. Then again...

HEY I'M THAT GUY

hey, i'm that guy from the magazine, y'all

FROM THE MAGAZINE

God must have a sense of humor because

last week's Rodeo has to have been the muddiest weekend of my life. I still have to get the boots cleaned. But, had it not been for the copious amounts of mud, I never would have gotten the gorgeous, filthy cowboy shot for the cover. And, also, one of the charter buses would never have sank into the ground, but that's a "you had to be there" moment. Good times.

Thanks to all who turned up to **Bucks** for the celebrity pie toss, brought to you by the good folks of the **Windy City Empire**. After I dropped and undisclosed amount on the opportunity to get Patrick but good, he returned the favor, ganging up with Steve Nokes to quadruple my amount for the pleasure of turning me into a creamsicle. As they approached, I heard them discussing which one would "go south" and I knew I was done for. There's no dessert top-

ping I won't take down my pants for charity. At the end of the day, they'd raised just about \$1,000 for Empire charity partners Broadway Youth Center, the American Lung Association and the Sierra Montana Memorial Scholarship Fund.

Wednesdays at **The Victor Hotel** are back. New DJs and hosts and all, but look for the same swanky goodness weekly. But don't wear flip-flops (or so I hear).

And speaking of Flip Flop, Flip Flop at **Sidetrack** was a smashing success, raising much-needed funds for About Face Theater. The night of never-ending gender-bending was a hoot and helped a great cause.

And a quick note to that sultry senator I blew in the McDonald's bathroom last Monday afternoon: Your secret is safe with me. And to keep it safe, I will require \$5,000. Once again, all for charity.

CHILD, i hope you had a great **LABOR** day weekend!

Cody sat in his bathtub one night, making sure it was just as wet outside as inside. (This made me crazy.) After I warned him one more time what would happen if he got another drop on the floor, Cody suddenly said, "Mom, heaven is full of old people, right?"

I was surprised by his question, but I was busy mopping up the mess on the floor.

"That's right, Cody," I said pretty firmly, because I was still a little upset with him.

"Old people like you," he said.

"Mom, I'm gonna be big," Cody announced one day to me.

"How big, Cody?" I asked.

"As big as I wanna be," he answered. He strutted around the kitchen like he was big stuff already.

"How big do you want to be?" I asked him.

At this, Cody stretched up on his toes and reached as high as he could. "Fifty feet high!" he said.

"Cody," I laughed, "That's eight daddies!"

This news pleased him a lot.

"That's big enough," he said, and ran off to save the world.

WHEN HARRY MET IP

www.moanmyip.com

MoanMyIP does just what the URL says: a breathy girl (whom I suspect looks nothing like the site model) orgasmically moans your IP address. It also relays other information about you so you can see just some of the stuff you reveal about yourself while surfing. Of course, that's all probably pointless since your entire Web browsing history is probably stored at the NSA for "data mining." Hmmmmmm. Here's a headline I'd like to see: "Four NSA Workers Trapped in Data Mining Cave-In." Just an off-topic thought.

WHO'S THE BOSS?

www.pixel-heroes.de

I can't read a word of the site as it's in German, or Dutch, or one of those languages where they like to string together too many consonants, and jamwordstogthertomakenewones. So what. I'm not here for the words. I'm here for the pictures, baby! Screen shots. Thousands of them, from oodles of old video games—several of which I haven't played. It made me a bit misty eyed for those youthful lazy days of summer: hanging out at the arcade, eating food on stick, and avoiding child predators. Ahh, those were the days.

SCARIEST. TV. EVUH.

godtube.com

This is breathtakingly frightening. I want to go back to the days when rubes like these were afeared o' technology. GodTube features YouTube-style videos from waaaaaaaaaaaaaaaaay far right fundies. Videos about how women should be subservient. Videos that are for lack of a better phrase "jihadist christians." I think you already know what they have to say about the "hom-oh-sex-u-als." It was not very nice. In fact, it was not terribly Christian.

YEARS AGO THEY JUST CALLED IT "WIFE BEATING"

christiandomesticdiscipline.com

While we're in Fundieland, take a gander at this lovely little site. It's all about how to keep the little lady in line, like God says she should be. It may be a parody—the crotchless pantaloons are a bit over the top—but after GodTube, my Hoaxometer is busted. Parody is really suffering today. Some subset of the population actually believes whatever ridiculous extreme you espouse in parody, and rather than hiding, respectfully, under a rock like they ought to, the anonymous nature of the Internet has emboldened them, and now they have forums. I miss the days when stupid people feared technology.

Judging a Porn By Its Cover

Groeper: I would buy this one just from the cover. Have you reviewed this company before?

Pubert: Yes, I have. They are fun. G: Doctor Who inspired opening. I luv it!

A stud is sweating in his own sheets and dreaming a little dream...

G: Nice, he's having a fantasy. P: About two guys in a Jacuzzi. It's only natural.

G: They just did a trick so one guy doesn't look shorter than the other one.

P: Wow, it's like Steven Spielberg or something.

G: People always look bigger on TV.

P: Here they go inside.

G: To lie on pillows on the floor.

P: He's gonna hit his head on the concrete floor!

G: There are steps back there, watch out!

Running Wild
by Adonis Pictures

P: Nothing is stopping him. He's a man on a mission.

G: Yeah, they are into it.

P: So aggressive.

G: Now they are flipping. My favorite...

P: Watery cum.

G: But it went everywhere.

P: Sometimes you feel like a nut.

G: Sometimes you don't.

A UPS man knocks on the door with a box full of dildos.

P: Is this a bad joke?

G: Why doesn't this happen to me?

P: The two quickly get to work on him.

G: The old two-on-one penis trick.

P: It's called "the thrust and bump."

G: Really?

P: No, I made it up. Is that break beat music?

G: It's frenetic.

P: He's pushing his head on it.

G: What about the rest of his deliveries?

P: No more packages today.

G: Now I know why UPS is always late.

P: This was a good three-way.

G: Flip fucking all over this video.

P: Everyone gets a turn.

Now our wet dreamer wakes up and goes for a jog. He passes by a policeman busting a driver for smoking weed.

P: The cop is taking him back to his home. What a dirty pig.

G: Time for a strip search!

P: The driver is faking being scared really well.

G: Moving into boot play now.

P: This scene is going on a long

time.

G: This is hot. Police in a jock, always a good thing.

P: He's yelling at him, "Suck it!"

G: And "Don't make me beat you with it." This is great!

P: The movie is getting all artsy, switching back and forth from black and white to color.

G: This is a big role play scene.

P: It's stronger than many videos. Who is the director?

G: Michael Zen. I am a fan.

End scene is with all the stars from the video.

P: Some are in cages. Like monkeys...

G: And sucking everywhere.

P: Everyone is going crazy!

G: Including Anthony Shaw.

P: I like him.

G: This could be called Fun With Slings.

P: I enjoyed the twist ending.

G: I give this video a whole hand up the butt.

P: You ran wild with this review!

Pubert: Thumbs up the butt.

Groeper: Hand up the butt.

If you feel a little wild run to www.adonispictures.com.
