Jolly Jupiter enters Aquearius. Do you feel your world lighten and luck change? Check your rearview mirror, readjust your personal goals and step on the accelerator. You may just find a shortcut instead of the usual detour.

bag to tide you over.

LEO (JULY 24 - AUG. 23)

People want some sort of relationship with you whether for business or for pleasure. Maybe you can combine them and have it both ways. If so, assume the position. Single Lions might stumble upon their soulmates. Watch where you step.

VIRGO (AUG. 24 - SEPT.

23) Queer Virgins can jump into a healthier lifestyle. Do it soon and see magnificent results with little exertion. This expansion can take place on many levels; if you aspire to kick back and enjoy the "good life" you may see waistline expansion instead.

LIBRA (SEPT. 24 - OCT. 23)

Create your own personal masterpiece and be more creative and productive. Proud Libras will gain recognition and acclaim and can parlay their gains into substantial profit ... or spend it all with a grand flourish! Gee, I wonder what you will do?

SCORPIO (OCT. 24 - NOV.

22) The next couple of years can see a transformation in your relationship to your family or an upgrade in your current living situation. Change your personal landscape. Plant a few new seeds, tend to your own garden and see what or who sprouts.

SAGITTARIUS (NOV. 23 - DEC. 22) Gay Archers can sway others to their brand of thinking and will gain followers and fanatical adherents. Don't

rest on your laurels. Move mountains and change borders while you aspire to be the ruler. Have a great idea? See how far you can take it now.

CAPRICORN (DEC. 23 - JAN.

20) Not only will you feel flushed, you can be. Sticky financial issues start to resolve. Your flow of money can be lassoed, hogtied and branded with a combination of good research, sound advice and good luck. Yahoo! Save it for a rainy day. Do I feel a drop?

AQUARIUS (JAN. 21 - FEB.

19) Aqueerians would do well to work on their connections and expand their audience base. You become a social heavyweight. But refrain from totally overindulging. Expansion weight can occur on more than just a social level, my friend.

PISCES (FEB. 20 - MARCH

20) Guppies realize that they have friends and supporters lurking in the background to help out. Let your imagination soar and use the next two years to expand your influence to the less fortunate and those in need. Your karmic stock will hit new heights. Then sell!

by Kirk Williamson

★ **FROM TOP:** With Prince-ites at Berlin, With James at Jackhammer; Homemade Hard Candy T-shirts at Spin

The classics never die. Take heed, young boiz and gurrlz, one day the best and brightest of your pop culture experience will shine through as the vanguards of your generation. For oldsters like me, those vanguards would have to be Molly Ringwald, Prince and Madonna.

Scooty & Jojo, the brains behind such recent classics (give it time, people) as Carpenter's Halloween and Tran: The Atari Musical bring us **Mollywood**, a paean to that red-headed rascal Molly Ringwald. Who among us didn't fantasize about home sewing that pink pastiche gown and winning over Andrew McCarthy? Well, I was always more of a Duckie guy, but I digress. Get your Molly fix with Mollywood, playing Tuesday and Wednesday at **Mary's Attic** through May 21 and Friday and Saturday at **The Spot** through May 24. See scootyjojo.com for more information.

So I celebrated my generation by dancing for 80 minutes straight at Prince night at **Berlin**. Church.

And it was also like a prayer at many local spots this past week for the much-anticipated release of Madonna's latest "Hard Candy." Check out the pictures on page 16 from **Spin** to see poor Riley York almost overrun by Madonna-bes to win free Madonna CDs and such. The question: What was the name of the team for which Madonna played in A League Of Their Own? The first one to email me with the correct

answer gets a mystery prize. OOH, mystery prize!

A special hello to the youngsters from Spin in their homemade T-shirts. That's homemade, not home-sewn. Just to clarify.

I also classed it up quite a bit this week. Andrew and I stopped in to **Sidetrack** to greet Boystown's new police commander Kathleen Boehmer. All the A-gays were there, including the owners of most Boystown bars. I had to be on my best behavior, which is always nerve-wracking.

@mosphere's Les Miz benefit for Dan Proctor was another classy joint. Inside theater jokes abounded as talent from the show and beyond wowed the reverent crowd. And, I won a T-shirt, which is always nice.

Thanks to Alan at **Jackhammer** for taking the reins of my camera for a while. What he returned to me was pure photographic gold.

Come to **Scot's** this Saturday, May 10 for the Drink For Charity event, benefiting Proud To Run, Pride Youth and the Gerber-Hart Library. So many causes, so little time. May as well maximize.

And while you're maximizing, slide up to Jackhammer that same night to help **Team Steamworks** raise funds for TPAN and BEHIV. Team members will serve as shot boys. Make sure to drink every drop!

Time After Time: *The Music Returns*

There are very few albums which I would call instantly familiar. Duffy's debut set has that rare quality that makes it one of those albums. From the title track that opens the album, "Rockferry" brings forth thoughts of everything from '60s peace rallies and early Motown to Rosemary Clooney or modern Joss Stone and Corinne Bailey Rae. The production is inspired, the

vocals are on point, and Duffy sings from her heart with a certain nobility and honesty that is quite rare. In her lighter moments, this girl has spunk, which you can see in her music video on <http://www.MTV.com/>. Duffy's album release date is May 13, I encourage you to get it (especially potheads and those looking for new sex music).

A couple dance tracks that might seem somewhat familiar are the new singles from **Sharam** and **Richard Grey**. Sharam has sampled the recent Daniel Bedingfield track "If You're Not The One" and transformed it into "The One." **Dean Coleman**, **David Guetta**, and **Cedric Gervais** are on board with remixes now. I personally liked the song better first time around, but these new techno mixes have some serious bite. **Richard Grey** took a bite out of something more sacred, and I think it may pay off. He took on "Thriller"! Michael's vocals are resounding, but the driving '80s synth line is worked to perfection.

My last words are on **Bill Bennett**. He has enlisted **Suzanne Palmer** to help take on what may be the first big summer anthem this year, the '80s track "Fame." The **Edson Pride** remix is currently on Beatport for download, and more is forthcoming. I will keep you posted.

Hey, you can add me on MySpace and get my latest beat mix at myspace.com/freemixshowman or e-mail djres5@windycitymediagroup.com with your music questions.

I love good food and a fun place to get it. That must be why I love taking dates to Kitsch'n on Roscoe at 2005 West Roscoe St.

If you are anything like me when you wake up after bringing a sailor home from a bar, you want something that's going to absorb some of the old booze in your belly, yet go well with new booze too. So, grab your wayward sailor and head out to Roscoe Village.

Whether you are headed there for brunch, lunch or dinner you will fall in love with this place. I took a date there for lunch on a weekend and though he stank on ice, our meal sure was nice.

Chilaquiles is a dish that, according to the menu, is a great hangover cure and it totally works. The Bloody Marys are ambrosia, they have Tab on tap, and if you have never had fried chicken and waffles, you simply must go right now.

After your meal, you may want to walk around the neighborhood. Roscoe Village has a lot to offer street shoppers, including some great thrift store action.

Winter's finally over, and since I had dedicated a couple of columns to winter weather and other cold things (but enough about my ex-boyfriend), here's a Pretzel Logic look at springtime.

SURE SIGNS OF SPRING IN THE GAY COMMUNITY – PART ONE

You know that winter is turning to spring when all the twink variety of young gay guys go from wearing shorts to short-shorts.

SURE SIGNS OF SPRING IN THE GAY COMMUNITY – PART TWO

Tiny, delicate, buds of long-dormant wild flowers and other plants sprout forth from the life-giving earth; a diaphanous veil of delicate ice crystals coats the light green blades of new grass with the early morning frost; the feather of a migrating bird returning from its winter down south floats to the ground, lightly resting on the damp ground still wet from the refreshing spring rain; and it all gets trampled into one huge muddy mess as the gay guys return to the forest preserves eagerly looking for the next anonymous hook-up.

YOU GIVE ME FEVER

According to one Web site I found, spring fever is an actual medical condition that involves, in part, "...a dilation or expansion of the blood vessels so that blood can be carried to the body surface where heat can be lost quickly." However with gay spring fever there's expansion caused by a sudden increase of blood flow, but rather than losing heat, that's usually when things start to heat up.

SURE SIGNS OF SPRING

IN THE GAY COMMUNITY – PART THREE

The maypole gets used for certain, shall we say, "unauthorized" uses.

BIRD BRAIN

Baby birds have to learn how to sing.

SURE SIGNS OF SPRING IN THE GAY COMMUNITY – PART FOUR

The return of the barn swallows is nothing compared to the return of all the swallowing going on at the forest preserves.

YE OLDE SPRYNGE TYME QUIZ

You can go to <http://www.beliefnet.com/section/quiz/index.asp?sectionID=&surveyID=169> to take a "Spring Equinox Trivia" quiz that has a lot of references to Pagan mythology.

SWALLOW A PUSSY THIS SPRING

Sorry ladies, it's not quite "that" sort of pussy. Instead, one Web site I found said "Since Pagan times, the pussywillow's bloom was seen as a signpost for spring and was thought to have healthful qualities if ingested."

NO, BEAT THAT PUSSY INSTEAD

From the same Web site: "Pagan Ukrainians would cut the branches and swat one another with them to bless each other with the pussywillow's strength to come out of winter so early in the year."

HAVE A HAPPY, HEALTH SPRINGTIME – PART ONE

You might think that with the return of warmer weather and sunnier days, springtime would be a healthy time. Well, according to an herbal Web

site I found: "The diseases often common in spring include nosebleeds, inflammations, carbuncles, anginas, abscesses [sic], aggravation of varicose veins, coughs, bronchitis, pneumonia, influenza, and measles. People in whom the phlegm humor predominates will show a tendency to apoplexy, paralysis, and arthritis."

HAVE A HAPPY, HEALTH SPRINGTIME – PART TWO

According to the same Web site: "The most effective means to avoid spring diseases, or lessen their severity, are purgatives, fasting or dietary restrictions, increasing fluids, and eliminating intoxicating liquors of all types."

IF YOU INSIST ON KISSING A FROG...

According to a Web site dealing with frog illnesses, "Spring disease ... is a lethal disease which occurs among certain temperate species during the breeding season. It is caused by *Bacterium ranida*. Symptoms include a discoloration of the skin, lethargy and a continuous 'yawning.' At present, there seems to be no reliable treatment for this disease..."

MAYBE SHE KISSED A FROG

The University of North Carolina's Estrich-Scheck "spring death penalty events" got off to a false start when the first program had to be postponed when one of the speakers, Susan Estrich, became ill.

If you've ever kissed a frog (and Little Jim's regulars don't count), you can e-mail me at PretzelLogicDave@aol.com and tell me all about it.

It was required that every prostitute, pimp, pickpocket and thief had to buy at least one ticket, while the owners of brothels and saloons had to purchase large blocks of them. The madams usually had their own boxes, where they could rub shoulders with city officials and politicians.

THE FIRST WARD BALL

which they organized, was referred to as an "annual underworld orgy". The ball continued a tradition that started around 1880, when there was a charity party to honor Lame Jimmy, a pianist who worked for the renowned madam, Carrie Watson. They continued on until 1895, when a drunken detective shot another police officer at the party. After the end of the charity gatherings, Coughlin and Kenna took responsibility for throwing the annual affair. It grew larger every year until the two aldermen were making as much as \$50,000 from the party. They held the ball at the Chicago Coliseum and after one spectacle; the Tribune wrote that "if a great disaster had befallen the Coliseum last night, there would not have been a second story worker, a dip or pug ugly, porch climber, dope fiend or scarlet woman remaining in Chicago." The 1907 First Ward Ball was perhaps the most widely reported and for this reason, seemed to raise the most ire among the various reform movements in the city. By the time, the ball opened that year, there were 15,000 people jammed into the Coliseum. One newspaper reported that there were so many drunks inside that when one would pass out, they could not even fall to the floor. In addition, women who fainted were passed over the heads of the crowd to the exits. As the event opened, a procession of Levee prostitutes marched into the building, led by Bathhouse John, with a lavender cravat and a red sash across his chest. Authors Lloyd Wendt and Herman Kogan described the parade: "On they came, madams, strumpets, airily clad jockeys, harlequins, Diana's, page boys, female impersonators, tramps, pan handlers, card sharps, mountebanks, pimps, owners of dives and resorts, young bloods and 'older men careless of their reputations'." At this point, the party really got started as women draped themselves over railings and ordered men to pour champagne down their throats. "The girls in peekaboo waists, slit skirts, bathing suits and jockey costumes relaxed and tripped to the floor where they danced wildly and drunkenly, drunken men sought to undress young women and met with few objections." This seems to also be the first mention of Chicago's "drag queens" of the era too and reformers later described the antics of these men in women's costumes as "unbelievably appalling and nauseating." Even though there had been 100 policemen detailed to the party, there were only eight arrests and one conviction -- that of Bernard Dooley, who was fined for entering the party without paying! Hinky Dink Kenna later called the party a "lollapalooza" and added that "Chicago ain't no sissy town."

MAKIN' SWEET MARIO MUSIC

redruth.greenbean.org/~ben/4CR/smb_super_synth.swf

Tired of playing Mario? Well, now you can play Mario instead. Don't scratch your heads at that; it's a homophone—and no, that's not a Gay marching band instrument. This delightful little swf file has samples of the background music from different Mario worlds as well as sound effects from all of Mario's actions. Now you can just click and "play" Super Mario Bros. It's like the radio version of the video game.

PENIS OBSCURA

www.monkeon.co.uk/youwhat

Snicker. There's a penis in that drawing. This site presents you with a with a lovely cock. Your job is to then hide said cock within a doodle, without merely scratching it out. If you do well, you're rewarded with 15 picoseconds of fame and glory. You also earn a spot in the site's gallery. Probably NSFW, unless you have an incredibly penis-friendly workspace.

IT'S RAINING (PARTS OF) MEN

www.svamp.eu/cock/?url=http://*****/

And while I'm on the subject of cock (and honestly, when am I not?) be sure to check out this infantile—and I mean that in the noblest sense of the word—site. Simply fill in a Web address instead of the asterisks in the URL above and voilá, it's rainin' peckers all over the page. I recommend you use this as a weblink, so you get the full chuckles of sending people, unsuspectingly, off to penisland. To the right you see what happens when one fills in "www.hillaryclinton.com."

FROM GEORGIA O'KEEFFE'S GARAGE SALE...

www.craigslist.org/about/best/sfo/540076210.html

OK, I'll drop the cock (for just a second) and move on to vag. God bless Craig's List. Whenever I'm struggling for a Web site, I can always trundle over to the "Best of" section and type in something like "vagina couch." I'll be damned if it doesn't return a hit with frightening frequency. It seems like just about everything you can imagine has been sold at the world's largest garage sale. As for the vag couch, add a few teeth to that thing and every vagina dentata nightmare is fulfilled.

Flatmate from Heaven

from Pureplay Media
Starring Antonio Moreno

A potential new renter drops in for a private showing in our first scene.

JUDGING A PORN BY ITS COVER

Pubert: I found a new room-mate on Craigslist, which made me want to check out this video.

Groeper: Maybe you will fall in love.
P: I don't think so. I just got a boyfriend.
G: Well, this video looks like temptation with that devil outline around the cover stud.

P: They inserted stars around the cute guy when he walked up.
G: Very clever, indeed.
P: His place looks like the ones I visited in Argentina.
G: How many did you visit?
P: Well, I went to the country twice.
G: Wait a minute. There are other flatmates.
P: This could be trouble.
G: I guess two of the roommates are more than that. They are making out in their bed together.
P: I like their tightie whities.
G: Wow, look at all his tattoos on his back and arms.
P: I can hardly look past them and see what the guy actually looks like.
G: He's eating him alive.
P: Damn! Look at him go.
G: He's like a rabbit on acid.
P: He's definitely sweating it out.

The new renter brings home more bacon.

P: Okay, the star thing is getting old.
G: There's kind of a weird yellow-colored hue to this film, also.
P: Well, the new guy sure is breaking in his new room.
G: Wait a second, the roommate downstairs is listening in.
P: Can't he wait until his roommate is not at home?
G: His trick looks dazed and confused.
P: Yeah, hypnotized by the dick.
G: The red-striped walls have to go. And did you see the leopard print pillows?
P: It's Euro-tackie. Is that a bed or a couch? He's wearing the short socks my boyfriend likes.
G: These guys are so into the sucking, I am scared for the fucking.

The nosy roomie from downstairs sets up a hidden camera in his flatmate's bedroom.

P: That camera's not hidden by the fake plastic flowers at all.
G: His new roommate is getting mad play and he knows it.
P: I know, what is this a brothel?
G: And this is in the middle of the day. Don't they have jobs?
P: I like the shot of the roommate downstairs just working and smiling while he's listening in.
G: He knows that he will be watching the action later.
P: This video should be called No Privacy.
G: Ironic that the company is called Privacy Video.

Two more roommates walk in and get inspired after watching the homemade film. After that two more walk in on them and the inspiration continues...

P: This is so "pay it forward."
G: The video that keeps on giving.
P: The director just walked in to catch the four-way.
G: Five-way you mean.
P: There's cum flying everywhere.
G: This is a great finish.
P: I liked the fact that they didn't need tons of plot to tell a good story.
G: Yeah, simple pimple.
P: And the guys are definitely hot.
G: This flatmate IS from heaven with a little devil thrown in.

Pubert: Thumbs up the butt.
Groeper: Thumbs up the butt.
