DANCING ABOUT ARCHITECTURE

by Marc "Moose" Moder

THE INEVITABLE IDOL COLUMN 2013

American Idol has been in my blood since 2002 when I was in the audience for Kelly Clarkson's win. That "Moment Like This," coupled with my 5-year involvement as a judge for Windy City Gay Idol, has compelled me year after year in this column and online to write with passion on the subject, often times being a very vocal critic.

This year, it was tough to muster any passion to write about the dying show. On top of the fact that the "themes" are getting older at 10 times the rate the show is getting older, we've now pulled focus off the contestants an onto the miserable judges. Now, I do have a fondness for early Nicki Minaj (when she rapped instead of trying to be a Rihanna Barbie) and Mariah's mid-period material is still pretty amazing, but these two as panelists were a deadly combo from the start. Anyone who had a modicum of entertainment knowledge would know that you don't put these two temperamental NYC divas on the same panel. If you'd picked one or the other plus Randy, plus some other man or really drab looking girl (see Missy Elliott), the chemistry might have been sweet, but as we all know now *surprise* there was tension. This palpable disdain for one another was not entertaining in the least but was about as uncomfortable as being stuck in an elevator with Alec Baldwin and Kim Bassinger. Then to add insult to injury they brought on the blander-than-actual-toast Keith Sub-Urban and kept on Randy Jackson who should have bowed out with Paula and Simon.

Speaking of which, with the exception of J-Lo last year, they've still never found that right combo of judges like the original three. If rumors are true, next year we may be looking at Kelly Clarkson, Jennifer Hudson and Adam Lambert at the panel, and I find that far more refreshing than an attempt at pairing Jennifer Lopez with anyone. Besides the fact that they could all be bought for half of what Mariah charged, they all know the struggle and what it takes to succeed even if only one of the three actually won. As we all know on Idol, that's not what matters; it's how you play the game, after.

DEEP TISSUE

a touching new column by C.J.

"Hello?"

"CJ?"

"This is him. How are you?"

"I'm good. I'm John by the way. I was hoping to make an appointment for a massage, but I had a couple of questions first."

This is the part of the conversation when I wait for the reveal, praying it's nothing too odd, like ballooning.

"Do you perform real massage?"

"Yes. I can do all therapeutic, sensual or a combination of both."

"Great. I'd like a forty-minute combination massage. Then, I would like to give you a twenty-minute check-up. I just want to give you the same check-up that any general practitioner would. And yes, I am a doctor. I love my job."

I had recently convinced myself that I had testicular cancer due to some dull pain in my balls. I later discovered through an official check-up and most of my male friends over thirty that I was wearing my underwear too tight, but at the time I was still convinced that I had cancerous balls so I agreed to the "check-up" section of the appointment.

Two days later he showed up at the scheduled time, carrying a brown leather medical bag. He was around fifty with a full head of grey hair, medium build and looked like a doctor in the sense that he looked clean, harmless and was dressed from head to toe in Eddie Bauer.

"Hi. Can I take your bag for you?"

"Sure."

I took his bag and led him over to the massage table. He was a gentleman throughout the entire session, forgoing the usual straying greedy hands behavior. I resisted asking him outright about my testicles thinking it may be a bit presumptuous. I finished the massage sans happy ending. The respectful doctor then hopped off the table, stretched, clothed himself and looked in my direction while tapping my massage table.

"I'd like you to hop up on the table now," he asked while adjusting his glasses.

I did as he asked and he immediately started feeling the lymph glands in my throat.

"There's no swelling here so that's good."

He then grabbed his bag and sat it on the desk near my massage table. He pulled out a stethoscope and a reflex hammer. He put on the stethoscope and checked my heartbeat.

"Nice. There's no irregularity."

He then went from one knee to the other causing both to jerk forward as would be expected. I suddenly felt twelve years old and wondered if that was his modus operandi.

"Good." He said while avoiding eye contact.

"Okay, if you could please stand, pull down your underwear and look to the left."

I did as asked and he cupped my balls. I prayed—as I always do in this position—that I wouldn't get a hard-on and embarrass myself in front of the good doctor.

"Cough, please."

I coughed as he felt around my balls.

"So, does everything feel okay down there? Any lumps?", I asked, not being able to resist.

"No, everything feels fine. Why do you ask?"

"Well, I've been experiencing an occasional dull pain."

"The underwear you had on earlier looked rather tight. That in addition to the fact that you are in your thirties now is surely the reason. Try wearing boxers more often."

"Ok. Thanks." I said quietly untrusting.

"Well, that's all. You seem to be in great shape. I'll be going now. And thank you for a wonderful massage."

He paid on his way out, leaving a generous tip.

One week later I had an appointment with my regular doctor. I had pretty much the exact same check-up including the part where I should wear boxers except this time I paid two-hundred dollars for the experience.

I only wear boxers now.

Confessions of a Nunn

by Jerry Nunn

Undress for Success

by Lucas Entertainment
Starring Donato Reyes
and Damien Crosse

Jerry Nunn: Time to relax after a busy IML.
Diablo: I had a devilishly good time.
JN: There was a lot of Undressing downtown over Memorial Day.
D: This cover had me with the tie around the neck.

JUDGING A PORN BY ITS COVER

Tomas Brand runs an upscale service to help in the business world. Donato Reyes arrives for a private session.

JN: We cut to the chase seeing the cover shot with Donato sitting on the throne.
D: Tomas has a chubby weiner.
JN: Reyes is of course right up my alley but his huge tattoo above his cock looks weird with the bush.
D: You need to see him shaved.
JN: Okayy, that is the right angle with a worm's eye view behind Donato.
D: Isn't it hard for them to get their pants off while keeping their shoes and socks on?
JN: These porn stars are pros.
D: He just popped off Brand's buttons!
JN: Those Reyes men can be bad boys.
D: He's using the tie like a lasso.
JN: I have never seen someone flip over a table to use as a brace before.
D: Donato is a little squirt.

Scott Hunter and Goran have car trouble then head back to an apartment to pass the time.

JN: His name is Goran?
D: He's from Spain.
JN: I don't get it but his above-the-penis tattoo is better than the last one.
D: Is that the latest craze, billboard-sized tattoos between the stomach and crotch area?
JN: That bottom wouldn't do it for me.
D: He has his charms.
JN: Oh no, he's slipping on the table with those wingtips on!
D: Didn't his momma tell him not to wear loafers on top of the table when he's fucking a young man?
JN: He's doing push-ups on his ass.
D: It's a good summer work out.
JN: Poor Hunter is as red as a beet.

Will Helm and Edji Da Silva come home after a hard day's work to relax.

D: Aw so sweet, they are boyfriends.
JN: I think it's just acting.
D: You don't see enough healthy relationships in porn.
JN: It's usually the story of cheating, right?
D: Exactly. Check out the abs on Helm, they sink inward.
JN: Not only does he have a six-pack, it's an innie.
D: Silva is slapping him with his belt strap.
JN: Maybe we wouldn't have such a divorce rate if more light spankings were enforced.

Boss Damien Crosse and Davidenko Lopez wait for an appointment in an apartment.

JN: Crosse never spoke Spanish to me when I met him. I should have said, "Hola!"
D: Lopez got the wrong day for their appointment so they are killing time in the kitchen.
JN: I could kill some time with these two.
D: [Sings] "Beans don't burn on the griddle."
JN: [Sings] "Took a whole lot of trying just to get on that top!"

D: Michael Lucas is becoming master of suit porn.
JN: No one else is really doing the sexiness of style but him.
D: The set is not properly lit so it makes things look dark.
JN: The acting is definitely stiff, so to speak…
D: The stars are not naked in the film.
JN: This movie could have been called Partially Undressed for Success.

Nunn's Golden Rule:
Take off your shoes when topping on a tabletop.

Final Judgement:
Jerry Nunn: Crucifix up.
Diablo: Pitchfork down.
