That Guy by Kirk Williamson

Aside from a brief late-ish jaunt to my local **The Glenwood**, I personally did not dare leave the house on St. Patty's Day (observed). I no longer have the constitution. But leave it to our own constitutional scholar Anthony Meade to get all the green goodness. He rode the Dougie bus all over this fair city with the boys and girls. I should have had him guest-write this column, now that I think of it.

Anyway, could you just die from Johnny's adorable knit and beflowered beard thingy! Pin THAT to your board!

I did make it down to **Berlin** for Madame Envy and her Harem of Oddities. The odd part certainly shone through. My camera was even baptized in blood. Well, red paint, but close enough. If you want to get a good shot, sometimes you can't be afraid to get in the splash zone. A crafty bartender quickly offered me a little club soda to help wash it off my lens. Is there anything club soda CAN'T do?

Also, thanks to Kyle Henderson for his coverage of DJ Moose's Green Tea in A-ville at **Mary's**. Sunday never had a more fun day!

RAVINIA 2015 PREVIEW

If you're reading this, you're probably pretty in tune with current music and the latest concerts and festivals. Music fans follow bookings for Lollapalooza, Pitchfork, Spring Awakening, Riot Fest and even Market Days like straight boys with football rankings, but for most folks under 40, **Ravinia** is the big mysterious outdoor venue up north that their Aunt Joan has season passes to due to her undying love of Lyle Lovett and kd lang. If you haven't gone to Ravinia lately there's a lot to love: cheap, outdoor picnic seating; sexy dads; BYOB; a train that goes right from the city into the park; and a great line up.

Everyone with a pulse is aware of the huge double booking of **Lady Gaga and Tony Bennett** happening Pride weekend, but there are many great acts coming to Ravinia, which just announced its hot summer schedule.

For many of us we can't swing much of a weekend in NYC, let alone tickets to **Alan Cumming**'s return to Cabaret, where tickets are twice that of your average Broadway show. Good news: the out and proud actor/singer is coming with his "cabaret show" on June 19.

Opening acts (like last year's Lisa Fischer for Joss Stone) can often be better than the headliner and you can get back on the early train. This year, check out **Sharon Jones and the Dap Kings** (June 21) opening for the bluesy Tedeschi Trucks Band. TTB is a powerhouse of blues guitar and southern rock, but Sharon Jones is like what Amy Winehouse could have been if she lived and merged with Angie Stone.

Ravinia is all about the classical, but if you're like me, it's not your thing. I have a compromise. Check out the legendary creator of Oingo Boingo and The Simpsons' theme, **Danny Elfman**, as he conducts a revue of all his many amazing scores for Tim Burton's films (June 14).

Diana Krall's (Aug. 9) foray into California soft rock might have misfired but the jazz vocalist/pianist will surely rise above the bad album (just like Madonna) for an unforgettable jazz vocal set.

And finally, my pick for the best of the year, is to skip Aretha, who's vocals and will gave out years ago and to see her peer, **Gladys Knight** (with the O'Jays, Sept. 11) who hasn't missed a beat and still belts it out fresh after all these years. The R&B shows at Ravinia are an on-your-feet party, so don't miss that one.

Check out the full line-up at www.ravinia.org

Confessions of a Nunn

by Jerry Nunn

JUDGING A PORN BY ITS COVER

Roommates

by Jocks Studios
Starring Cameron Foster and Donny Wright

Jerry Nunn: I went to a play with my ex-roommate last night.
Diablo: Hence why we are reviewing this flick.
JN: We are just friends and my new roommate is the same too.
D: I'm sure there are plenty of fantasizers out there that will identify with this porno though.

Donny Wright sits back in his easy chair as roommate Brian Brody enters the room.

JN: Now who doesn't want a blow job in the middle of the day?
D: The roomie thing is quite convenient.
JN: He's watching porn on his phone?
D: That's too small of a screen for me.
JN: Wright seems to have the perfect amount of man hair.
D: You are not wrong! I think it's natural and not shaved.
JN: Even on his face it's perfect.
D: We could talk about hair all day!
JN: Check out that look in Brody's eyes as he licks Wright's balls.
D: If looks could thrill.
JN: That Brian is such a white boy; a little spray tanning couldn't hurt.
D: Don't you love a clean roommate who puts a towel down on the furniture before a fuck?
JN: I love any roommate who shoots a thick load with an uncut cock like that!

Two new roommates Cameron Foster and Logan Stevens kick off the next scene.

JN: I have never tried to draw a mustache on my roommate when he was sleeping.
D: And putting a dildo between his legs is a little over the top.
JN: That's what I call Fostering the Peter.
D: Good thing he had that dildo laying around for his practical joke.
JN: Looks like he's fostering some pain in the ass.
D: Ain't that a surprise, I thought Logan was a bottom.
JN: It's weird to see someone cum with a limp dick.
D: Cameron is not used to cumming on cam I guess.

It's dinnertime as Troy Collins lays naked on a table for roommate Cole Streets.

JN: Strange how his clothes were on top of him naked.
D: Maybe he didn't want to be too easy.
JN: Guess who is coming home to dinner?
D: There is a big piece of meat waiting for him.
JN: Hey, they are in the same house as before. Are they all roommates?
D: It's a full house and I don't see Uncle Jesse.
JN: "How rude!"

In the same living room again, our fourth scene takes place with Christian Wilde and Bryce Star.

D: They must move the furniture depending on who is having sex.
JN: Maybe there is a list for rotation; these two have it for lunch.
D: I see a hot dog on the menu.
JN: There is a table in the middle of the room convenient for sex.
D: These roommates make it work.
JN: How much is the rent in this whore house?
D: They probably take turns paying the bills.

Nunn's Golden Rule:
Roommates with benefits can lead to something quite fruitful.

Final Judgment:
Jerry Nunn: Crucifix up.
Diablo: Pitchfork down.
